

Gibbs Care Center
Residents, Staff and
Board of Directors,

Our family would like
to thank you for the
beautiful plant for our
mother, Betty Frazier.

We deeply appreciate
the loving care you
gave our mom. She
loved you all and we
are so grateful she
had such a wonderful
second family.

The people who work
at Gibbs became best

friends with our mom
and also with us.

We will always remember
your kindness.

The family of "Miss Betty"
Frazier
