

A huge thank you to all of
you, from the lowest employee
to the administrator and board,
for the excellent care you gave
to our mother in the few years
she lived with you. As you
know, she considered you all
her "adoptive family" and wanted
to be at St. Hubert to die when
her time came.
Everyone was so great to Mom.
She loves you all so much.
I do not believe there was ever
a time that someone failed to
cheer Mom up when she got down.
When we were unable to be with
her, we were always at peace
knowing she was in your good
hands. God bless you all and
thank you from the bottom of our
hearts! She loves you!

With Appreciation

Thank you for all your support
and sympathy during this sad time.
